Portfolio

About Skills Projects

Skillset

I am currently undertaking an intesive, 6 month bootcamp to become a junior developer through Coder Academy. So far I have learnt Ruby, HTML, CSS. By the end of the course I should be proficient with these areas, with addition to Ruby on Rails and Javascript.

HTML 5 CSS 3 RAILS JS

My Projects

♠️ Blackjack ♠️
Terminal App that allows you to play a text based version of the game Blackjack.
